

**TITLE 50: INSURANCE**  
**PART 1405 CONSTRUCTION AND FILING OF LIFE INSURANCE AND ANNUITY FORMS**  
**CHAPTER I: DEPARTMENT OF INSURANCE**

**Section 1405.20 Illinois Guidelines For Filing and Approval of Life and Annuity Forms**

Following are some general requirements which should be helpful to industry personnel involved in drafting and filing policy forms.

b) Form Numbers

- 1) Each "policy form" must be designated by a suitable form number which may be made up of numerical digits or letters, or both, in the lower left-hand corner of the first page. The form number shall be sufficient to distinguish the basic form from all others used by the insurer. Edition date and/or designation of a state where a special edition is required is permitted in such space, and if printed as a continuation of the form number, will be considered a part thereof. The appearance of a company's stock number and/or printing date in proximity to the form number is permitted.
  - A) Where a descriptive title is in close proximity to the form number, it will not be considered a part of that number for approval purposes unless inclusion is requested by the company.
  - B) Refer to Section 1405.80 of this Part for instructions relating to form numbers when filing a policy on an insert page basis.
