

Struggling to hold onto your home Behind on mortgage payments Nearing foreclosure

Governor Pat Quinn has established the ***Mortgage Relief Project*** to help you take advantage of new government programs that can help you lower your mortgage payments, avoid foreclosure and keep your home. Learn more at your local ***Mortgage Relief Project*** outreach event.

Free housing counseling is available. We will also teach you to recognize the tell-tale signs of mortgage fraud.

Be sure to bring your latest mortgage documents (bills, statements, notices, etc.) and your state ID or driver's license. For a list of all the documents that you would need to complete a full application for a loan modification, go to www.idfpr.com.

Transportation will be made available to senior citizens and persons with disabilities. To confirm a ride, make an appointment with a counselor or for more ***Mortgage Relief Project*** information, call toll-free at 1-800-532-8785 or visit www.idfpr.com.
