

AMENDMENT NOTICE

The Illinois Public Accounting Act was recently amended with the following changes that became effective on June 25, 2010:

- Section 4 of The Illinois Public Accounting Act is amended to provide that the Department shall not issue any new registrations as a Registered Certified Public Accountant after July 1, 2012 (instead of July 1, 2010).

Individuals who wish to be registered as a Registered Certified Public Accountant must file a complete application with the Department of Financial and Professional Regulation postmarked no later than June 30, 2012.

The registration requirements are detailed on the Public Accounting page (www.idfpr.com/dpr/WHO/pa.asp) of the Department of Financial and Professional Regulation website at www.idfpr.com.
