

AMENDMENT NOTICE

The Rules for the Illinois Massage Licensing Act were recently amended with the following changes that became effective on July 20, 2011:

- Obsolete grandfather provisions have been repealed.
- The Massage & Bodywork Licensing Examination (MBLEx) has been added as an approved licensure examination.
- Massage therapist licenses are required to be displayed in the licensee's place of practice.
- Technical and cleanup changes have been made regarding restoration of licensure.
- The American Massage Therapy Association (AMTA) has been added as an approved continuing education sponsor.

Please contact the National Certification Board for Therapeutic Massage & Bodywork (NCBTMB) to receive information about completing the NCBTMB's examination.
