

STATE OF ILLINOIS  
DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION  
DIVISION OF BANKING

APPLICATION FOR A LICENSE TO MANAGE A PAWNSHOP  
PURSUANT TO SECTION 0.05(c)  
OF THE ILLINOIS PAWNBROKER REGULATION ACT

NOTICE TO APPLICANT

Under the provisions of the Illinois Freedom of Information Act [5 ILCS 140/1 et seq.], this application is considered a public document and available to the public upon request.

If the applicant is of the opinion that disclosure of commercial or financial information would likely result in substantial harm to the competitive position of the applicant or its controlling company or that disclosure of information of a personal nature would result in a clearly unwarranted invasion of personal privacy, confidential treatment of such information may be requested. This request for confidential treatment must be submitted in writing concurrently with the submission of the application and must discuss in detail the justification for confidential treatment. Such justification must be provided for each response for which confidential treatment is requested.

The applicant's reasons for requesting confidentiality should demonstrate specifically the harm that would result from public release of the information. A statement simply indicating that the information would result in competitive harm or that it is personal in nature is not sufficient. (A claim that disclosure would violate the law or policy of another state is not, in and of itself, sufficient to exempt information from disclosure. It must be demonstrated that disclosure would meet either the "competitive harm" or "unwarranted invasion of personal privacy" test.)

Information for which confidential treatment is requested should be: (1) specifically identified; (2) separately bound; and (3) labeled "Confidential."

The applicant should follow this same procedure on confidentiality with regard to filing any supplemental information to the application.

The Department of Financial and Professional Regulation will determine whether information submitted as confidential will be so regarded, and will advise the applicant of any decision to make information labeled "Confidential" available to the public. However, the Department, without prior notice to the applicant, may disclose or comment on any of the contents of the application in any documents issued by the Department in connection with the Department's decision on the application.

The Department is requesting disclosure of information that is necessary to accomplish the statutory purpose outlined under 205 ILCS 510/0.05(c). Disclosure of this information is **REQUIRED**. Failure to provide all of the required information will result in this form not being processed. This form has been approved by the Agency Forms Coordinator.

## ***PRIVACY ACT NOTICE***

The Department of Financial and Professional Regulation (DFPR) has requested that you disclose your social security number (SSN) in connection with an application. The federal Privacy Act of 1974 requires a government agency, such as DFPR, that requests disclosure of an individual's SSN to inform the individual whether the disclosure is mandatory or voluntary, by what authority the request is made, and what uses will be made of the individual's SSN. See 5 U.S.C. §552a (note). Your SSN is not public information and will not be released to the general public.

***Individual Applications*** – If your SSN has been requested in connection with an application submitted on your own behalf, including an application submitted by you as a sole proprietorship, disclosure of your SSN is mandatory pursuant to state and federal laws regarding child support enforcement. See 5 ILCS 100/10-65 and 42 U.S.C. §666(a)(13).

***Entity Applications*** – If your SSN has been requested in connection with an application submitted by an entity (corporation, partnership, limited liability company, trust, etc.), disclosure of your SSN is voluntary. DFPR requests SSNs from individuals associated with entities to allow DFPR and the Secretary of the Department of Financial and Professional Regulation (Secretary) to administer and implement the legislative acts under which DFPR and the Secretary have powers and duties, including the making of determinations and findings in connection with applications submitted to DFPR. Failure to provide your SSN in connection with the application to which your SSN relates may cause delays in processing the application and may ultimately lead to an inability of DFPR and/or the Secretary to make certain determinations or findings necessary to decide whether to approve the application.

***Uses of Your SSN*** – Regardless of whether your disclosure of your SSN to DFPR was mandatory or voluntary, DFPR may, depending on applicable circumstances, use or disclose your SSN:

- As an identifier for the purpose of categorizing, storing, or locating DFPR's internal records and data;
- To verify your identity when DFPR receives information from a third party if such information includes a SSN as an identifier;
- To any source from which information is requested in the course of any investigation or examination conducted by DFPR, including investigations and examinations unrelated or subsequent to the application process, to the extent necessary to identify you. This includes, but is not limited to, disclosures made to law enforcement and credit reporting agencies to allow such agencies to initiate investigations and provide criminal and credit histories to DFPR;
- In connection with an administrative proceeding or litigation relating to an application;
- To comply with a subpoena, summons, warrant, or court order;
- To any person, entity, or government agency when DFPR is required to disclose a SSN by applicable law; and
- To an entity or government agency when DFPR determines that such entity or government agency has a legitimate regulatory or law enforcement interest. This includes, but is not limited to, disclosures made pursuant to sharing agreements between DFPR and other entities or government agencies and disclosures made to the Illinois Department of Healthcare and Family Services, the Illinois Department of Revenue, and the Illinois Student Assistance Commission.
