IMPORTANT NOTICE

This state agency is requesting disclosure of information that is necessary to accomplish the statutory purpose as outlined under Paragraph 305/34(1) of the Illinois Credit Union Act. Disclosure of this information is required. Failure to submit the report by the due date will result in a late filing fee for each day the report is overdue pursuant to the Department's Rules & Regulations 190.50 (amended December 2006).

Due Date:

no later than March 31 each year*

***Per Section 305/34 of the Illinois Credit Union Act -"A copy of an external independent audit shall be completed and mailed to the Director no later than 90 days after December 31 of each year; provided that a credit union or group of credit unions may obtain an extension of the due date upon application to and receipt of written approval from the Director."....**

SUPERVISORY COMMITTEE INTERNAL AUDIT REPORT

The purpose of this Supervisory Committee Internal Audit Report, pursuant to Paragraph 305/34 (1) of the Illinois Credit Union Act, is to verify the accuracy of the credit union's books and records. Your conscientious and thorough work can only help to ensure the safety of members' funds and promote a sound and efficient credit union. Please review the following comments prior to the start of the internal audit.

- 1) Review Paragraph 305/34 of the Illinois Credit Union Act and Section 190.130 of the Department's Rules and Regulations.
- 2) The President and staff **must not help you** with any part of this internal audit other than help you locate records or explain work they have done. Remember, you are verifying their work.
- 3) All financial data must relate to the same month and **must be within the current calendar year**. Records may be examined **as of the end of the month of your choice**, though current records may be more accessible. However, due to the high volume of work-load caused by year-end closings, the December Year-End 5300 Call Report, and tax season, **we strongly encourage you to perform the audit in the months prior to the December 31 cut off date.**
- 4) All worksheets and tapes must be kept by the Supervisory Committee members for review at a later date with an examiner from the Division of Financial Institutions.
- 5) A copy of the internal audit report is to be presented to the Board of Directors and is to be included with the minutes of that meeting, and a summary is to be given to the members at their next annual meeting.

The Supervisory Committee Internal Audit Report consists of the following pages:

Page	Page Description
1	Statement of Financial Condition
2	Statement of Income
3	Cash Programs
4	Cash Schedule
5 & 6	Loan Programs
7	Loan Schedule
8	Investment Program
9	Investment Schedule
10	Share Program
11	Share (or Savings) Schedule
12	Fixed Asset Program
13	Fixed Asset Schedule
14	Other Assets and Liabilities Program
15	Other Assets and Liabilities Schedule
16	Verification of Members' Share and Loan Accounts
17	Certification of Report

Also included with the Supervisory Committee Internal Audit Report are sample work-papers that may be used as a guide in completing the audit programs. These sample work-papers **need not be filed** with the report.

In order to complete an Internal Audit Report, the following will be necessary:

- 1) Record the credit union's general ledger account balances on the Statement of Financial Condition (page 1). The total amount of assets **must agree** with the total amount of liabilities and equity.
- 2) Record the credit union's year-to-date income and expenses on the Statement of Income (page 2). The amounts should also be obtained from the general ledger. The net income (loss) should agree with the "Year-To-Date Net Income (loss)" as shown on page 1.
- 3) Complete the procedures and schedules as outlined in each of the following areas:

Cash	pages 3 & 4
Loans	pages 5, 6 & 7
Investments	pages 8 & 9
Shares	pages 10 & 11
Fixed Assets	pages 12 & 13
Other Assets and Liabilities	pages 14 & 15
Verification of Accounts	page 16

The person completing each procedure should initial and date in the appropriate space provided. **Please note "N/A" if a certain procedure is not applicable for your credit union.**

- 4) Thoroughly read the "Verification of Accounts Information", located on pages c & d. Record the most recent account verification results in the appropriate areas on page 16. You are reminded that **an account verification must be conducted each calendar year. 100% verification is required every other year** (see 190.130 of the Illinois Credit Union Act Rules and Regulations).
- 5) Sign and notarize page 17 of the Supervisory Committee Internal Audit Report. **All current members of the Supervisory Committee must sign the Report.**
- 6) Retain a copy for your file and return a copy by March 31st to:

**Department of Financial & Professional Regulation
Division of Financial Institutions
Credit Union Section
320 W. Washington, Suite 500
Springfield, Illinois 62786**

If you have any questions or concerns with respect to this Supervisory Committee Internal Audit Report, please contact the Credit Union Section at (217) 782-2834.

VERIFICATION OF ACCOUNTS

190.130 of the Rules and Regulations (Verification of Share and Loan Accounts), the procedures that **must** be followed to conduct the internal audit, including the verification. You should read those sections carefully before commencing the verification. The procedures differ based on the credit union's assets as follows:

B) Credit Unions with total assets between \$3,000,000 and \$5,000,000 as of 12/31 of the prior year:

1) The Supervisory Committee must engage an outside registered accountant **once every three years** to perform an external audit, including verification of accounts.

In each of the other two years, the Supervisory Committee will conduct the Internal Audit according to Section 305/34 of the Illinois Credit Union Act, selecting a month-end within the year to perform its duties.

2) In **one** of the other two years (that an internal audit is performed), a complete 100% verification of both share and loan accounts must be performed pursuant to Section 190.130 of the Rules and Regulations. This verification can be done on a negative basis (where the member must respond only if there is a disagreement). However, Par b), 2) of the Regulation **requires** accounts of seven different types to be verified on a positive basis. A positive basis means a response, signed by the member as to whether he/she agrees or disagrees with the balance shown, with an explanation for any disagreement **must** be returned to the credit union. (A stamped, addressed return envelope should expedite the response). Should a member not respond within a reasonable time (normally around two weeks), a second **MUST** should be sent. If there is still no response, a third requests can be sent, or the Supervisory Committee must satisfy itself that the balance is correct by other means.

The seven different types of accounts **requiring positive verification every year** are as follows:

- A) Inactive or dormant accounts – members' accounts which show no member initiated activity for at least 3 years.
- B) Accounts with recent activity following a period of at least 3 years of dormancy.
- C) Accounts that show unusually large share withdrawals.
- D) Accounts that have delinquent loans.
- E) Share and loan accounts closed or charged off since the last verification was conducted.
- F) Accounts where negative requests are returned due to an inaccurate address.
- G) Any other accounts with unusual or significant activity, or which, in the judgment of the Committee, should be done on a positive basis to verify the integrity of the negative verification requests.

If the credit union does not have any accounts applicable to the above seven (7) accounts, please indicate so on page 16, line 4 (the Verification Page).
