DEAN MARTINEZ
Secretary

Re-designation of Pilot Program Area Pursuant to Public Act 94-280 (HB 4050)

The Secretary of the Department of Financial and Professional Regulation (the "Secretary") is making this designation of the "Pilot Program Area" as directed in 765 ILCS 77 (HB 4050 from the 94th General Assembly). In making this designation, the Secretary received and reviewed information that suggests that the prior designation may be detrimental to the Pilot Program's purpose, namely, to curb predatory lending practices in areas with high rates of foreclosure on residential home mortgages. Based on this review, the Secretary hereby withdraws the designation made on January 27, 2006, and designates the Pilot Program Area as no zip codes or areas whatsoever.
