WHEREAS, as the Governor of the State of Illinois, pursuant to Sections 7(1), 7(2), 7(8), and 7(12) of the Illinois Emergency Management Agency Act, 20 ILCS 3305, ordered during the duration of the Gubernatorial Disaster Proclamations, the requirement in the Section 2105-400 of the Civil Administrative Code, 20 ILCS 2105-400, and its accompanying regulations, authorizing the Secretary of the Department of Financial and Professional Regulation (IDFPR) to take certain actions to increase the number of licensed professionals responding to the disaster is suspended to the extent it limits the Secretary's authority to those persons working under the direction of the Illinois Emergency Management Agency and the Illinois Department of Public Health pursuant to a declared disaster by the Governor. The Governor further ordered that the requirement that the Secretary shall only exercise this authority "in coordination with the Illinois Emergency Management Agency and the Department of Public Health" remains in effect and that in exercising this authority, the Secretary shall work closely with the Directors of the Emergency Management Agency and the Department of Public Health to ensure any impacted licensed professionals are aiding in the response to the disaster.
