2. CE credit may be earned through postgraduate training programs (e.g., extern, residency, or fellowship programs) or completion of social work related courses which are a part of the curriculum of a college or university.

3. CE credit may be earned for verified teaching in a college, university or graduate school of social work approved in accordance with Section 1470.30 and/or as an instructor of continuing education programs given by approved sponsors. Credit will be applied at the rate of 1.5 hours for every clock hour taught and only for the first presentation of the program (i.e., credit shall not be allowed for repetitious presentations).

The Board shall review and recommend approval or disapproval of the program.

2) The Department may require additional evidence demonstrating compliance with the CE requirements. It is the responsibility of each renewal applicant to retain or otherwise produce evidence of such compliance.

Procedures for Requesting a Waiver of the Continuing Education Requirement

A request for a waiver of the Continuing Education requirement must be based upon extreme hardship as described below:

A) Full-time service in the armed forces of the U.S. during a substantial part of the prerenewal period;

B) An incapacitating illness documented by a statement from a currently licensed physician;

C) A physical inability to travel to the sites of approved programs documented by a currently licensed physician; or

D) Any other similar extenuating circumstances. Requests for a waiver of the Continuing Education requirement must be submitted prior to the expiration date of your current license. To request a CE waiver, you must submit the following to the Department:

- Completed renewal application along with the $60 renewal fee (fees are non-refundable); and

- A statement setting forth the facts upon which the request for a waiver is based; and

- A copy of military papers showing active duty, if the request is based upon full-time service in the armed forces of the U.S.; or

- A signed statement from your attending physician verifying the illness, length of treatment and diagnosis, if the request is based upon an incapacitating illness or a physical inability to travel to the sites of approved programs.

How the Department Processes Your Continuing Education Waiver Request if You Have Not Completed Your Continuing Education Requirements

The Department of Financial and Professional Regulation makes every effort to process your renewal in a timely fashion. The renewal process is delayed when all of the questions on the application are not answered, when supporting documentation is missing, the fee is incorrect or missing, or your check is not signed.

If the Department determines your application, waiver request, and other documentation are in proper order, the license will be renewed.

THE RENEWAL OF YOUR LICENSE AT THIS TIME SHOULD NOT BE CONSIDERED AS AN INDICATION THAT YOUR WAIVER REQUEST HAS BEEN APPROVED.

The Board will review your waiver request and then make a recommendation to the Director.

If your request for waiver is approved, you will be notified in writing.

If your request for waiver is denied, you will receive written notification of the denial and your license will be placed into a nondisciplinary non-renewed status.

A waiver request will not be granted if you are no longer practicing your profession.

NOTE: For licensees requesting a CE waiver: the renewal form may be obtained online but must be submitted by mail with the renewal fee and specified documentation before the expiration date of the license.
