Instructions:

Temporary Physician License

1. Before completing your online application, please read each step below. This will aid you in accurately completing your application and eliminate delays in processing. The application requirements listed below follow the same order as the online application questions.

2. Applications must be submitted to the IDFPR at least 60 days prior to the applicant’s scheduled start date in the postgraduate clinical training program.

3. Disclosure of your U.S. Social Security Number (SSN), if you have one, is mandatory, in accordance with 5 ILCS 100/10-65 to obtain a license. The number may be provided to the Illinois Department of Public Aid to identify persons who are more than 30 days delinquent in complying with a child support order, or to the Illinois Department of Revenue to identify persons who have failed to file a tax return, pay tax, penalty or interest shown in a filed return, or to pay any final assessment or tax penalty or interest, as required by any Tax Act administered by the Illinois Department of Revenue, or to other entities for verification of identification.

4. Any document in a foreign language must be accompanied by an original, notarized translation that has been transcribed by a person other than the applicant, who is fluent in both English and the language of the document. The translator must certify to the above requirements as well as to the accuracy of the translation.

5. The application fee for an initial license is $230.00 and is non-refundable.

6. Applicants may monitor the status of their license application through the IDFPR Online Services Portal. In addition, each GME office has a separate account through the online portal where the hospital may access and monitor the status of temporary license applications submitted by their residents.

7. After the license application is complete, the temporary license shall be issued to the hospital sponsoring the postgraduate clinical training program. The applicant shall not commence training until the temporary license has been issued by the IDFPR designating the effective date and expiration date of the license.
**Qualifications:**

**Temporary Physician License**

1. Applicant must have been accepted for specialty training in a program of postgraduate clinical training approved by the IDFPR. The initial temporary license shall be issued for 1, 2, or 3 years based on the program’s accredited length of training as determined by the Accreditation Council for Graduate Medical Education (ACGME) or the American Osteopathic Association (AOA).

2. Applicant must have completed at least two (2) academic years of instruction in a college, university, or other institution. An academic year is a minimum period of nine (9) months.

3. Applicant must have graduated from a medical college or an osteopathic medical college:

   (A) Located in the United States or Canada accredited by the Liaison Committee on Medical Education (LCME) or the American Osteopathic Association (AOA); or

   (B) Located outside of the United States or Canada that meets the following requirements:

       (1) The medical college is officially recognized by the jurisdiction in which it is located for the purpose of receiving a license to practice medicine in all of its branches.

       (2) The medical program consists of at least two (2) academic years of study in the basic medical sciences; and at least two (2) academic years of study in the clinical sciences. An academic year is a minimum period of nine (9) months.

       (3) The clinical sciences must have been completed while enrolled in the medical college which conferred the degree. This must include at least four (4) weeks of core clerkship rotations in internal medicine, obstetrics and gynecology, pediatrics, psychiatry, and surgery. The core clerkship rotations must have been taken and completed in clinical teaching facilities owned, operated or formally affiliated with the medical college which conferred the degree or under contract in teaching facilities owned, operated or affiliated with another medical college which is officially recognized by the jurisdiction in which the medical school which conferred the degree is located.

4. Applicant who is a graduate of a medical college located outside of the United States or Canada must be hold a current and valid certification issued by the Educational Commission for Foreign Medical Graduates (ECFMG).

5. Applicant must have been engaged in the active practice of medicine or engaged in formal study or training in a program of medicine in the five (5) years preceding the date of application. Otherwise, applicant must demonstrate proof of professional capacity, i.e. 150 CME hours AMA PRA Category 1 Credit.

6. Applicant who has been granted a license to practice medicine in another jurisdiction must demonstrate official proof of original licensure and current licensure held.

7. Applicant must be of good moral character, i.e. no conduct/activities that would constitute grounds for discipline under the Medical Practice Act.
