Tips for First Time Registration to Renew a Professional License (Business Accounts)

(Note: Business and Individual licenses will be on separate accounts. Please see the Tips for Individual Account instruction sheet for help renewing an Individual license.)

For most licensees this will be the first time logging into your IDFPR Online Services Portal Account. You will need to Register and MATCH to your existing business license record. If you applied for your initial license via the IDFPR portal, you can use the username and password created at that time. (2) Click on “Register” under the Log In button.

(3) Register as a BUSINESS.
(4) Select “Yes” under Account Matching, then Click the “Next” Button.
