

Statement on Part IV of the Examination for Licensure to Practice as a Chiropractor

Section 1285.60(b) of the Rules for the Administration of the Medical Practice Act was amended to add Part IV in addition to the other three Parts of the examination administered by the National Board of Chiropractic Examiners (“NBCE”), to the examination requirements for chiropractic licensure.

EFFECTIVE JULY 1, 2016 – All applicants for licensure as a chiropractor must successfully complete the examination administered by the NBCE, consisting of Part I, Part II, Part III *and Part IV*. To be successful, applicants must receive a score of at least 375 on all four parts of the examination

Please refer to Section 1285.60 of the Rules for the Administration of the Medical Practice Act (“Act”) for complete information. The Act and Administrative Rules are available on the Division’s website at www.idfpr.com.
