ENDORSEMENT

Public Act 98-0253 became effective August 9, 2013 providing for changes to the Illinois Private Detective, Private Alarm, Private Security, Fingerprint Vendor and Locksmith Act of 2004 (Act) (Please note that the provision for licensure by endorsement was repealed.)

Effective immediately, applicants applying for licensure as a private detective, private alarm contractor, private security contractor or locksmith in Illinois will need to take and pass the respective examination.
