A mid-level practitioner controlled substance license (385/CS) may be issued to a physician assistant (PA) whose supervising physician of record has delegated limited prescriptive authority for controlled substance Schedules II, III, IV, V. The physician is required to include and maintain the guidelines for the delegated authority in the written supervisory agreement. Copies of the acknowledgement letter from the Division, 385/CS and Federal DEA licenses are to be kept with the supervisory agreement. Agreements are not to be submitted with this application; however they should be available upon request of the Division of Professional Regulation.

- Application must be fully completed and submitted with the required fee and the delegation form PHA-CS. Prescriptive authority for Schedules is not effective until the 385/CS license has been issued.

- When Division records are updated, the acknowledgment letter with effective dates will be faxed to the physician. Letters are not mailed. To ensure receipt, the fax number listed on supervision notice should be for a medical staff, credentialing, or similar office located within the practice location. The letter is to be maintained with the written supervisory agreement.

- If a physician ceases supervisory control or wishes to terminate delegated prescriptive authority, the termination form must be completed within 10 days of termination. It is the responsibility of the physician to submit the termination form to ensure their record is updated.

- If the PA is supervised by more than one physician at a different location or in a different specialty, separate supervision and delegation forms shall be submitted by each physician delegating authority. A PA should only hold one 385/CS license for the purposes of prescribing at multiple locations.

- PA’s holding active 085/PA and 385/CS licenses, who are changing employment and/or delegated prescriptive authority, may fax updated employment and delegation forms to (217) 524-2169. The signed originals must be mailed.

- Prescriptive authority does NOT transfer from one physician to another physician. If a PA changes supervising physicians, updated employment and delegation forms must be submitted.

- PHA-CS forms without Schedules marked will not be processed and will result in delayed issuance.

- The supervision notice must be on file before any delegation forms will be processed. Prescriptive authority may not be delegated by alternate supervising physicians.

- For practice groups or other entities employing multiple physicians, one of the physicians at that location may be designated as the supervising physician. The other physicians, who practice the same general type of medicine or specialty as the supervising physician, may supervise the PA with respect to their own patients without being deemed alternate supervising physicians as defined by the PA Practice Act. All designated physicians must be listed and maintained with the written guidelines.

- If the PA is to be delegated authority for Schedule II drugs, evidence of completion of at least 45 graduate contact hours in pharmacology from a program accredited by the ARC-PA or its successor agency is required.

- PA’s will be required to complete annually at least five (5) hours of continuing education in pharmacology verified at the time of renewal.

- The supervising physician may only delegate controlled substances that s/he prescribes.

- All forms must be typed or legibility printed in black ink. Application and forms are periodically updated. Visit the IDFPR Web site at www.idfpr.com to ensure you are using the current forms.

- Please allow 4-6 weeks for processing of new applications and changes in delegation.
The Mid-Level Practitioner Controlled Substance License (385/CS) application and fee may be submitted when applying for the physician assistant license (085/PA). FEES ARE NOT REFUNDABLE. Failure to properly complete the application or submit the required fee will delay licensure. Normal processing time is 4-6 weeks after the Division receives the application and/or forms during non-peak times. Submit the completed application and required fee to:
