If you hold a non-renewed controlled substances registration, you must reinstate that registration. Do not apply for a new registration.

To expedite the processing of your controlled substances application, submit the application and fee with your professional application.

Every person who prescribes and/or stores and dispenses any controlled substances within the State of Illinois must obtain a license issued by the Department of Financial and Professional Regulation in accordance with the Illinois Controlled Substances Act.

A separate controlled substances registration is required for each place of professional practice or business where controlled substances are stored or dispensed.

1. If you do not properly complete Parts I through VII (front and back) of the application, the application will be returned to you and licensure will be delayed.

2. It is mandatory that the permanent mailing address and/or business address be a street address. P.O. boxes are not acceptable. Your Controlled Substances registration must be issued to a street address.

3. If your professional application is pending, write "pending" in Part IV. A controlled substances registration will not be issued until your professional license has been issued. A controlled substances registration will not be issued to individuals holding a temporary license.

4. You must circle the drug schedules for which you are applying in Part III.

5. You must complete and submit the CCA Form. Your application will not be processed without completion of this form.

6. Submit the $5 application fee. Make check or money order payable to the Department of Financial and Professional Regulation (IDFPR). The fee is non-refundable. Mail the completed application and fee to:

    Department of Financial and Professional Regulation
    ATTN: Division of Professional Regulation
    P.O. Box 7007
    Springfield, Illinois 62791

A State controlled substances registration is a prerequisite for Federal controlled substances registration. The address on your Illinois controlled substances registration must be exactly the same address as your Federal registration. For information concerning Federal registration, you must contact:

    Drug Enforcement Administration
    230 South Dearborn, Suite 1200
    Chicago, Illinois 60604
    Telephone: 312/353-7875
    Web site: www.deadiversion.usdoj.gov

Additional application forms can be downloaded from the IDFPR Web site at www.idfpr.com.
Disclosure of your U.S. social security number, if you have one, is mandatory, in accordance with 5 Illinois Compiled Statutes 100/10-65 to obtain a license. The social security number may be provided to the Illinois Department of Public Aid to identify persons who are more than 30 days delinquent in complying with a child support order, or to the Illinois Department of Revenue to identify persons who have failed to file a tax return, pay tax, penalty or interest shown in a filed return, or to pay any final assessment or tax penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, or to other entities for verification of identification.
