C) A physical inability to travel to the sites of approved programs documented by a currently licensed physician; or
D) Any other similar extenuating circumstances.

Requests for a waiver of the Continuing Education requirement must be submitted prior to the expiration date of your current license. To request a CE waiver, you must submit the following to the Division:

- A copy of military papers showing active duty, if the request is based upon full-time service in the armed forces of the U.S.; or
- A signed statement from your attending physician verifying the illness, length of treatment and diagnosis, if the request is based upon an incapacitating illness or a physical inability to travel to the sites of approved programs.

How the Division Processes Your Continuing Education Waiver Request if You Have Not Completed Your Continuing Education (CE) Requirements

The Division of Professional Regulation makes every effort to process your renewal in a timely fashion. The renewal process is delayed when all of the questions on the application are not answered, when supporting documentation is missing, the fee is incorrect or missing, or your check is not signed.

If the Division determines your application, waiver request, and other documentation are in proper order, the license will be renewed.

THE RENEWAL OF YOUR LICENSE AT THIS TIME SHOULD NOT BE CONSIDERED AS AN INDICATION THAT YOUR WAIVER REQUEST HAS BEEN APPROVED.

The Board will review your waiver request and then make a recommendation to the Director.

If your request for waiver is approved, you will be notified in writing.

If your request for waiver is denied, you will receive written notification of the denial and your license will be placed into a nondisciplinary non-renewed status.

A waiver request will not be granted if you are no longer practicing your profession.

NOTE: If you are requesting a waiver of the Continuing Education requirement, you must renew by mail. Renewal form may be obtained online at www.idfpr.com.
