In order for your application to be processed, ALL REQUIRED SUPPORTING DOCUMENTATION MUST BE SUBMITTED with the application and required fee unless otherwise directed in the instructions.

To apply for a Certified Euthanasia Agency license, read the following requirements and follow the instructions as they apply to your agency. The application which you submit is valid for 3 years from date of receipt. If you are issued a license, please be advised that it will expire on April 30 of even-numbered years.

Requirements of an Euthanasia Agency

1. Euthanasia may only be performed in a certified agency by a certified euthanasia technician, a licensed veterinarian or an instructor during an approved course in humane euthanasia.

2. An Illinois Controlled Substance license issued by the Department of Financial and Professional Regulation and a Federal Drug Enforcement Administration (DEA) license is required to purchase, store and possess Schedule II and Schedule III (non-narcotic) drugs to euthanize animals.

3. The agency shall designate a person who is responsible for ordering the euthanasia drugs and who is responsible for the security of the agency's euthanasia drugs. A certified technician may only euthanize in a certified euthanasia agency or under the supervision of a licensed veterinarian. The technician may not personally possess, order or administer a controlled substance except as an agent of the euthanasia agency.

4. The agency shall notify the Department in writing within 30 days after termination of an euthanasia technician from the agency.

5. The agency shall notify the Department when the location of a facility is changing.

7. The agency shall comply with the requirements for the handling and storage of drugs as listed in the Rules for the Administration of the Humane Euthanasia in Animal Shelters Act.

8. An agency shall be inspected by the Department prior to issuance of a controlled substances license. (A separate inspection fee is required.)

NOTE: A certified euthanasia agency is required to submit to the Department of Financial and Professional Regulation the number of dogs, cats, puppies, kittens and other species euthanized each calendar year by January 31 of the next year.
